Thanks Jim. Helen, Marija, Karen and Susan are being moved into 224A. Should we be making space for Sharon too. Please let me know.

Thanks,

Stephen

It would be easier to let her use my office N224A to receive evidence until renovations are complete in her office area because I already have access to server. It would be difficult to receive evidence in N224 because Chris might be there.

Jim,

Three questions...When Sharon moves out to 251 will she be going to your lab across the hall? When the storage / temp evidence room is built in 224 where will Sharon receive new evidence? Do we need to provide data for her in 224 to receive evidence?

Stephen
